Terms of warranty for products from Esselte Office Products Oy

Warranty period 2 years

The following conditions, which describe the requirements and the extent of our warranty service, do not affect your legal rights, especially the seller's warranty obligation caused by the sales contract with the end consumer. Product faults have to be complained immediately after detection and within the warranty time at the dealer, where the product has been purchased. Alternatively, demands out of this warranty can be made on Esselte Office Products Oy at the following contact details:
